Re: Verification of Charitable Program Status with United Charitable Programs.

To Whom It May Concern:

This letter confirms that TeenFest Foundation was accepted by our Board of Directors as a charitable program of United Charitable Programs (UCP) and therefore shares our nonprofit 501(c)(3), 509(a)(1) federal tax status (Tax ID Number 20-4286082). This program has been in Fiscally Sponsored since September 28, 2007.

All donations to this program are tax deductible and can be made payable to TeenFest Foundation.

We applaud the charitable mission of this program, namely: "To conduct community programming, collaborative projects, campaigns, and activities that encourage and support teens and young adults to become and remain drug-free, alcohol-free, and tobacco-free. TFF creates opportunities to engage in community service and outreach, and teaches leadership and mentoring, while promoting and reinforcing anti-violence messages, and also develops conflict resolution skills."

All funds raised by the Program Manager are sent to United Charitable Programs and become the exclusive property of UCP which, for internal operating purposes, allocates the funds to the project named above. The Program Manager is permitted to make recommendations for disbursements which are reviewed by UCP to determine, in its sole discretion, if the proposed disbursement conforms to and advances the tax-exempt mission of UCP.

This program's mission is certainly an example of the good works that our programs are collectively doing.

Janet H. Ridgely
